

Parent Den – 2016/17

Be a part of this awesome parent organization! This year's Parent Den activities will include:

- PRIDE shirts - created and distributed
- Back to School BBQ
- Muffins with Mom
- Donuts with Dad
- Math and Reading Night
- Fundraiser - an Olympic themed Read, Exercise and Eat Healthy-A-Thon

Also, the Parent Den will be meeting quarterly (and having a delicious potluck) on the following nights (5:30 p.m. to 7:00 p.m.):

- Monday, September 12th
- Monday, November 14th
- Monday, February 13th
- Monday, April 24th

This year, we will have *Grade-Level Parent Leaders* as well as volunteers. As always, we LOVE our volunteers, so if you are unable to commit to being present at all four Parent Den meetings or taking on additional roles, we're still grateful for whatever time you can offer!

However, in order to increase involvement and communication across our entire parent community, we are looking to add *Grade-Level Parent Leaders*! Roles will include:

- Spending about an hour a week on average to help plan events, coordinate with other parents, and help our school continue growing
- Attending meeting/potlucks (there are just four of them this year)
- Communicating with fellow grade-level parents and teachers
 - Which may include posting information on Facebook, VolunteerSpot and Remind (Mr. Renfrow will help train you) as well as making calls

Grade-level Parent Leaders will receive a \$100 stipend (just as a small gesture of our appreciation) and a custom-made CES vest. Plus, the leader and all members of his or her immediate family will receive a free PRIDE shirt.

If you are interested in either being a volunteer or a *Grade-Level Parent Leader*, please fill out the bottom portion of this form and give to the front office - or you can email Mr. Renfrow directly to express your interest (daniel.renfrow@deltaschools.com). Thank you!

Parent Den Interest Form

Name: _____

Mr. Renfrow, I am interested in being a (check all that apply):

_____ Grade-Level Parent Leader
_____ Parent Den Volunteer
