A New Journey Begins...

Here we are, at the start of a brand new school year...and we can't wait to get started! Our school is such a special place to be because of our amazing staff, caring parents and students who are quite simply world-class.

This edition of the Express is being accompanied by a lot of additional information (on Facebook, our website and through our email message system). Our hope is that this barrage of information does not overwhelm you, but rather it helps you be informed and feeling confident and excited about the new school year ahead. Here are a few highlights from the info:

- There are new bus routes and bus numbers. If your child rides the bus, please take a look to see if you are affected by any of these changes;
- Beginning Monday, August 28th, we will have a new Morning Drop-Off procedure. Instead of dropping students off in front of our building, our drop-off location will be where Student Pick-Up currently is, which is located in the gravel lane located off NW 3rd Street, under the blue awning. Please read further on the back (page 2) of this paper.

More Info from Around CES

- CES will be celebrating the eclipse together on Monday, August 21st, our first day of school. Glasses will be provided to students and staff and we will be working off a modified lunch schedule so our entire school can observe the eclipse. There will be plenty of teaching that morning about its significance as well as being safe and not looking directly at the sun, so all our students can be safe and enjoy a once-in-a-lifetime event! Let's just all keep the clouds away that day...
- In addition to checking to see if your bus route or bus number has changed, please help us by communicating the after-school plan for your child the first day. The first day, more than any other, results in students not being confident where to go, which leads to confusion. Please communicate with your child and let us know as well.
- This newsletter may not answer all the questions you're wanting answers to! If that's the case, please give us a call (856.3885). We'll be happy to help anyway we can!

Our Vision

The mission of Cedaredge Elementary School is to prepare students to be thoughtful, productive, informed citizens.

Every staff member emphasizes academic excellence, social responsibility, safety, and personal achievement throughout the school.
