Back to School Night and BBQ - It's HERE!

Back to School Night is a special evening each year when we get to gather together, meet new teachers and create the foundation for a great year of helping our students learn and grow. And this year we are pleased to welcome all to CES tonight (Aug. 29th) for just such an evening. The weather is supposed to be sensational, so we are encouraging families to bring lawn chairs or blankets to sit on as they enjoy their food, which will start to be served a little before 5:30 p.m. Then at 6:00 p.m. we will break out for three 15-minute rotations so you can meet your child's teacher, talk to school leadership or just visit with other CES families. The night will conclude at 7:00 p.m. We hope to see all of you here for a fun night!

A Great Start with New Morning Drop-Off

Yesterday morning, we began our new morning drop-off plan, and it went really well! We will continue to keep the cones out in front of our building to remind families about the change, and Mr. Renfrow will be out at the new drop-off spot (located across the field under the blue awning) by 7:35 a.m. to help let students out of vehicles. If you have special circumstances or any questions, please let us know and we help anyway we can.

New Birthday Celebration Plan

In the past, we have allowed birthday parties in the lunchroom, but this year we are moving all of them back into the classroom (your child's teacher will have more information). We still are committed to celebrating students and their lives, but we found that the birthday treats in the cafeteria negatively affected the students' diets and also caused some to feel left out. Thank you for your understanding and cooperation!
