### Capturing Kids Hearts – Good Things

Last week, we provided an overview about how PRIDE Promises work in the Capturing Kids Hearts system to create buy-in about how we'll treat each other with respect each and every day. This week, we're examining Good Things. Our teachers build in Good Things time each day so students can share what's happening in their lives. Taking a few minutes each day to prioritize hearing about our students' lives (and all the awesome things they have going on) is another way we hope CKH continues to build out our culture and for students to become even more woven into the fabric of our school. The stories we hear and the successes we celebrate make our school an even better place to be. So, when you see your students each day, take a moment and ask them what Good Things took place at CES...we're sure you'll be glad you did.

### A Quick Glance to the End of this Month

Although we do not have school next week (have lots of fun and please keep reading), when we return there will be plenty going on. The week of October 23<sup>rd</sup> will be Red Ribbon Week and we'll be having a few subtle dress-up days to raise awareness about caring for our bodies. Then on Oct. 30<sup>th</sup> there will be no school as the entire district has a professional learning day. Finally, on Oct. 31 we will be having a Storybook (Dress-Up) Day and Halloween parties in the afternoon. Stay tuned!

### More Info from Around CES

- For the safety of all our students, we ask that all parents please stop by the office to sign in and collect a visitor's badge. Also, to preserve our teachers' planning and preparation time, we ask that parents please schedule an appointment to see the teacher. Thank you!
- Thank you for calling and letting us know about illnesses and student absences. We are implementing the District's new attendance policy, but we are determined to keep working with parents and families, not ever against. Thank you for your continued support.
- We have had the first Fall chill in the air in the mornings, so please send a warm coat or sweatshirt with your student to keep them warm during morning recesses.
- The Good News Club is starting up on Wednesday, October 4<sup>th</sup> from 3:15 to 4:45 p.m. in Room 208 at CES. Also, please check the CES Community Page on our website for more information about all the clubs, groups and offerings available for our students, including lots of new information about what's happening at the Cedaredge Public Library!

### Our Vision

The mission of Cedaredge Elementary School is to prepare students to be thoughtful, productive, informed citizens.

Every staff member emphasizes academic excellence, social responsibility, safety, and personal achievement throughout the school.
