Oct. 31 Storybook (Dress-Up) Day

Capturing Kids Hearts – Launches

Now that we have given you some information about PRIDE Promises, Good Things and Affirmation, it's time to look at the Launch component of CKH. Launches are used by teachers to put a final "stamp" on a class period, a day or a week, and they are usually made up of a song, an inspirational quote or statement, or any other positive, encouraging message that the teacher wants to place on the students' hearts and minds as they leave.

Together, these components make up the Capturing Kids Heart system. CES is currently under consideration to be a National Showcase CKH school, and we are eager to keep loving and respecting each and every day because "If you have a child's heart...you have a child's mind."

Red Ribbon Week Dress Up Days

This week CES is taking part in Red Ribbon Week, which is a national display of unity against substances and choices that can harm our bodies and our futures. Mrs. Brown and Mr. Renfrow will be conducting talks with each class and there will be the following remaining dress-up days:

Wednesday, Oct. 25 – Favorite Team (Team Up against Drugs)

Thursday, Oct. 26 – Western Day (Stomp Out Drugs)

Friday, Oct. 27 – True Blue Bruins (Don't Do Drugs)

October 24, 2017

Our School Day:

8:00 a.m. School Starts

3:15 p.m. 1st load bus student dismissal

3:20 p.m. Walkers/2nd load bus student dismissal

No School – Monday, October 30th

This is just a reminder that there will be no school on Monday, October 30th. This will be for all levels and schools in Delta County as our entire district staff comes together to learn and grow our professional practices together. Please see the back of this newsletter for other upcoming events.

New Report Cards – Please Read

Next Tuesday, October, 31st, Quarter One report cards will be going home. This is especially notable because all elementary school students will have a brand new looking report card. In an effort to provide more information (particularly information that can enhance communication between home and school), the new report cards will present the major standards in Reading, Writing, Communication and Mathematics in addition to the overall grades. The hope is that even if students are performing well across their language arts or math curriculum, individual standards can be highlighted and targeted for future growth. The back of the report card will have much more information, but we wanted to take a moment to prepare you for this upcoming change. Please let us know if you have any questions!

Storybook Day

Just as a reminder, we are very excited for Storybook Day (and the class parties in the afternoon), but we just ask that costumes are appropriate for school – nothing covering the face or scary. Thanks!

Our Vision

The mission of Cedaredge Elementary School is to prepare students to be thoughtful, productive, informed citizens.

Every staff member emphasizes academic excellence, social responsibility, safety, and personal achievement throughout the school.
