Personnel Information at CES

We are excited to announce that two new awesome individuals have joined our staff. First, Mr. Jeff Wrich has been hired to be our custodian, taking over for Mr. Frank Patterson. Also, Ms. Madison Daig has been hired to take over the 1st grade classroom in the second semester that Mrs. Jean Laurita has so wonderfully led this first semester. For students in Mrs. Laurita's/Ms. Daig's class, there will be a parent night on Dec. 14th so you can say thank you to Mrs. Laurita and meet Ms. Daig. More info to come.

December 19th Information

Our school district has a calendar that looks a bit different than it has in past years. Instead of ending on a Friday, this year, our last day before break will be on Tuesday, December 19th. That will be a normal academic day at CES, until 2:00 p.m. when we will begin our classroom celebrations. Then, at 2:30 p.m., all students will move into the gym to sing songs and have fun together before students head back to class to get packed up for break. Every grade level's classroom celebrations look a bit different, so please check with your Grade Level Parent Leader or the classroom teachers for more information.

Other Information From Around CES

- The After-School Program resumed this week and will run Monday through Thursday, the next three weeks. Thursday, December 14th will be the last day this semester. It will then resume again on Monday, January 8th. Thank you for your continued help and support!
- Our Lost and Found, in it's annual holiday tradition, is growing beyond our means for storing all the coats, hats, gloves, water bottles, lunch boxes, etc. that have been left at CES. Please plan on visiting before Dec. 19th to see if you can claim any missing items.
