E.A.R.N. Fundraiser - It's Back and With a Twist!

Last year, we tried a brand new type of fundraiser. We stepped away from selling cookie dough and other treats and tried to focus on encouraging healthy living. It was a tremendous success - over \$11,000 raised to support our key missions here at CES - and it is back this year, with a new twist. This year we are substituting Art in and the E.A.R.N. stands for Exercise, Art, Reading and Nutrition. There will be more information coming home next Tuesday (March 20th), so please be on the lookout for how we'll be promoting health and strong, active brains, while also raising money to help support field trips and technology at CES.

Please Don't Forget About our Community Page

We are always updating our community page with new info. This week, we have info from Reve Portraits and Synhorst Photography about Easter portrait packages. For more information about this and other events, please visit

Donuts with Dad - What a Success!

We packed our cafeteria for two mornings last week, and we want to extend a huge thank you to everyone that was able to attend! We also would be remiss if we didn't say thank you to Ms. Heather Tietz, our Parent Den President. As usual, Heather was on hand to make sure it went off without a hitch! Thank you!
