Oct. 8-12	No School - Fall Break

Back to School Ice Cream Social - Come Join the Fun!

What better way is there to celebrate the start of a new school year than by eating ice cream together? We hope you'll be able to join us next Tuesday, August 28th for our Back to School Ice Cream Social, which will begin at 5:30 p.m. This is a great chance to meet your child's teacher as well as share in our fantastic family-friendly community at Cedaredge Elementary School!

The evening will include four 15-minute long sessions with five-minute rotation breaks built in between each session. The first session will begin at 5:45 p.m. and run until 6:00 p.m. - after which the ice cream and bottles of water will be served and families can enjoy some sunshine and fellowship on our playground. We hope to have organizations on hand so you can hear more about after-school activities that are taking place for our students in the community, plus Mr. Renfrow and Ms. Keeling will be presenting information about the school's direction and next steps to keep pushing forward. We hope to see you all here next week!

Start and End Times

CES will continue its normal school day, with the first bell ringing at 8:00 a.m. and first load students parting at the 3:15 p.m. bell. All students who are second load, picked up or walking will be excused with the 3:20 p.m. bell. Thank you!

Student Drop-Off, Pick-Up and Bus Riders

The first few weeks of school each year there can be a bit more in students' hands and on their shoulders, literally and figuratively. Therefore, we absolutely encourage our parents to use our south parking lot in the morning to park and walk in with their students to help them drop off supplies and get situated. However, if students are being dropped off and no adults are with them, we respectfully ask that students are dropped off on the west side of the football field on NW 3rd Street, just like last year. This system allows us to minimize the traffic in our parking lot - thereby keeping students, teachers and families safer - and also reduces congestion on Highway 65. We will have staff on hand to help unload students each morning at the drop-off location, which will also function as our afternoon pick-up location again this year as well. If you have questions or concerns, please let us know!

Finally, if your student rides a bus, please help us communicate correct bus numbers! Our challenge to students these first few days is absolutely know where they are supposed to be going after school, so please help us with that by communicating that information to your students. These first few weeks, let's all try to over-communicate this critical logistical info!

We hope that you are all very excited about starting another school year! It's going to be an amazing year of learning and growth! We can't wait!!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
