Parent-Teacher Conferences - 3 Weeks Away!!!

Before this school year began, the staff of CES took time to consider our Mission and Vision statements. One of the key changes to our Mission statement is asserting the importance of our work with families and the community. The new statement reads: In Partnership with Families and the Community - Caring, Challenging, Inspiring - Educating Every Student, Every Day! With that in mind, we are less than three weeks away from our beginning of the year Parent-Teacher Conferences, and we hope that everyone can join us for great conversations around goal setting for this school year. Please be on the lookout next week for sign-up information!

Student Drop-Off, Pick-Up and Bus Riders: An Reminder

Parents, please continue to send your students to school informed about where they are going after school and how they are getting there. The increased communication is very helpful to us and ensures that our students are safe and heading the right direction each day! Of course, sometimes plans do change and, if they do, please call our office by 2:45 p.m. so we have plenty of time to communicate directly with your child.

Also, in the interest of our students' safety as well, we'd like to remind any parents who still use our south parking lot to drop their students off in the morning to please park and walk your students across the crosswalk. We know that each day all our parents and older siblings have many tasks, jobs and missions ahead, but taking 30-45 seconds to ensure that your little ones are safely across the road is time well spent. Thank you for your continued cooperation!

Start and End Times

CES will continue its normal school day, with the first bell ringing at 8:00 a.m. and first load students parting at the 3:15 p.m. bell. All students who are second load, picked up or walking will be excused with the 3:20 p.m. bell. Thank you!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
