#### The Weekly Expression:

Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and, most of all, love of what you are doing or learning to do.

PRIDE Traits: Perseverance, Excellence

#### Our School Cultural Goal

Last week, we mentioned that our school has two cultural/social emotional goals for this school year: 1. Teachers will learn about students' lives outside of school; 2. Students will feel comfortable talking to their teachers about their problems. This week, we'd like to share that our 3<sup>rd</sup> through 5<sup>th</sup> graders will all be taking a Resiliency survey so we can learn more about areas they feel great and other areas where they feel less great. This is all about our school being more responsive to the Social Emotional needs of every student at CES!

If families see ways for our incredible staff to get further involved, please let us know. As our new Mission Statement asserts, "In Partnership with Families and the Community – Caring, Challenging, Inspiring – Educating Every Student, Every Day," we want to continue to get to know our students and families! Thank you!

#### After-School Program Information

Our awesome After-School Program will begin on Monday, October 22<sup>nd</sup> from 3:20 p.m. to 4:00 p.m. This year the program will run on Mondays, Tuesdays and Wednesdays only, and we will use these afternoons to provide a snack, homework help and then tutoring help/practice in either reading or math. Slots will be reserved for students with most need first. Please contact our office (856-3885) for more information.

#### Destination Imagination Interest Meeting – THIS FRIDAY

Two years in a row, CES Destination Imagination (DI) teams have made it to the state level, and this year we're ready to go back again. Please join Ms. Lampton (Rm. 201) this Friday from 3:30 to 4:00 p.m. to learn more about your child participating this year!

#### No School Next Week

A quick reminder: we will not have school next week – October 8-12<sup>th</sup>. We will return on Monday, October 15<sup>th</sup>. As you and your family continue to enjoy another beautiful Fall in our area, please remember to set aside a few minutes each day to read and study math facts with your child!

#### 4<sup>th</sup> Grade Math Learning Opportunity

Tonight from 5:30 p.m. to 6:30 p.m., Mr. Stanfield (Rm. 218) will be opening his classroom doors to parents and families. The goal is for parents to walk away with greater knowledge about how to help support their students' math work! We hope you can attend!

#### Great Attendance Matters!

We are beginning to send out 4-day absence letters and schedule meetings with families if there are 6 absences. Our goal is always to promote daily attendance because students are more successful when they are in school! Thank you for your cooperation and support!

#### Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
