The Weekly Expression:

If we were all kind...if we were all loving and respectful to one another, this world would be so different. So it starts with you, and you can do it!

PRIDE Traits: Perseverance, Respect

CES Cultural Goal - What's Happening Outside School?

Before break, we shared that our school has two cultural/social emotional goals for this school year: 1. Teachers will learn about students' lives outside of school; 2. Students will feel comfortable talking to their teachers about their problems. We also mentioned that our 3rd through 5th graders took a Resiliency survey so we could learn more about areas they feel great and other areas where they feel less great. This is all about our school being more responsive to the Social Emotional needs of every student at CES!

With that in mind, we would like to make a special request to all our families: would you please continue to share major events' (sports, music, etc.) dates and times that are happening in your child's life? Since we do not run any extracurricular activities through our school (other than after-school and Destination Imagination), we may not have up-to-date information and we may not always be aware of the events our students are participating in. So, please send Mr. Renfrow an email or let our office know when a new schedule comes out so we can be there cheering all of our students on! Thank you!

After-School Program Information

Our awesome After-School Program will begin next Monday, October 22nd from 3:20 p.m. to 4:00 p.m. This year the program will run on Mondays, Tuesdays and Wednesdays only, and we will use these afternoons to provide a snack, homework help and then tutoring help/practice in either reading or math. Reminders for those who are signed up will be sent out this week with the Tuesday Express so please be looking for those.

Great Attendance Matters!

We are now one quarter through the school year and our attendance has been looking amazing! Please keep stressing the importance of school with your children. Our goal is always to promote daily attendance because students are more successful when they are in school. Thank you for your cooperation and support!

More Opportunities Available For Our Kids!

We care deeply about our all our students and that care goes beyond grades in a classroom. In fact, we believe strongly that students thrive when they have opportunities to participate in after-school activities, which promote friendships, teach valuable life lessons and much more. *Currently we have signup forms for Youth Basketball and more in our office!*

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
