Pickup and Drop UPDATE – Please Read

After a few new close calls in our parking lot, we are now working more closely with the Cedaredge Police Department to help keep our parking lot and the surrounding streets safer for our students. We take no matter as seriously as we do safety, so we are hopeful that the CPD will help us remind any parents not following our pick up and drop off protocols about the proper procedures. We know that families are busy but as we hear of accidents happening in other school parking lots, we want to remind everyone that the purpose of our protocols are to keep all our students safe. Please wait the additional few minutes to help us ensure that all students arrive at and leave school safely. Thank you for your consideration and support.

Penguin Patch Kids' Holiday Shop at CES

We are extremely pleased to announce that the Penguin Patch Kids' Holiday Shop will be at CES the week of Monday, November 26th! This is a neat program that allows students to save up a little money to purchase gifts for moms, dads and family members. Items are very affordable (from \$.50 to a few dollars, mainly), and the children gain a sense of independence and pride, as they get to select inexpensive gifts for their family. Please be on the lookout for more information coming home about this awesome program next week, including a glimpse at which gifts will be available as well as the day and time your child will be able to participate.

A New Name for Our Same Awesome Program

We now have a new name for our awesome after-school program: Bruin Academy. We recently changed the name to make our after-school communication more clear and because we do not want any stereotypes associated with our after-school program; instead, we want a name that reflects the importance of additional practice. So...if your student is a part of our after-school program, they are in the Bruin Academy. We also have some news about an exciting new partner we're collaborating with. We are pleased to be partnering with the Food Bank of the Rockies, who will now be providing full shelf-stable meals for all students in Bruin Academy each day! We are so thankful to be teammates with this awesome organization!!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
