Pickup and Drop UPDATE – Please Read

Thank you for helping make our before and after-school drop-off and pick-up procedures safe for all our students. Overall, the support we've received from our families the past few weeks – since we first expressed our concern and asked for help -- has been wonderful and we deeply appreciate being able to work with families who are such great teammates in creating a world-class, safe school. Please continue to drop-off and pick-up in our designated areas – because as we continue to remind all our families, waiting an extra minute or two is a small price to pay so that all our students get to school and get home safely each day. Thank you for your continued consideration and support.

Penguin Patch Kids' Holiday Shop at CES

We are extremely pleased to announce that the Penguin Patch Kids' Holiday Shop will be at CES the week of Monday, November 26th! This is a neat program that allows students to save up a little money to purchase gifts for moms, dads and family members. Items are very affordable (from \$.50 to a few dollars, mainly), and the children gain a sense of independence and pride, as they get to select inexpensive gifts for their family. Please be on the lookout for your child's shopping day and time, which will be coming home with this week's Tuesday Express.

Bruin Academy Update

Although we do not have Bruin Academy this week (it will return next Monday, November 26th), we want to say thank you to the many families who are ensuring that their students are able to get an additional 45 minutes of learning/practice time each day. So...if your student is a part of our after-school program, they are in the Bruin Academy. We also are feeling extra thankful in this time of thanksgiving for our wonderful partnership with the Food Bank of the Rockies, who will now be providing full shelf-stable meals for all students in Bruin Academy each day! We are so thankful to be teammates with this awesome organization!!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
