### Bruin Academy Update

Just a reminder that there will be no Bruin Academy this week. It will resume again on Monday, January 14<sup>th</sup>.

### Thank You for Your Generosity and Support

Between the Penguin Patch and our holiday bake sales, we were able to raise over \$1,200 for our school! Thank you so much! We will be putting that money towards field trip expenses, technology purchases, books and more! Thank you again for being such an awesome, supportive community!

### No School – January 21<sup>st</sup>

All Delta County schools will be off on Monday, January 21<sup>st</sup> for a professional learning day. The authors of the book NeuroTeach, which all schools have been reading to grow our instructional practice by better understanding the brain and how to enhance learning, will be on hand to help us dig even deeper into this important area of Mind Brain Education (MBE).

### Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
