Girls on the Run RETURNS!

Our amazing Girls on the Run program is getting closer to getting started again! The program is for any and all 3rd through 5th grade girls interested in being active, having fun, building friendships and much more! Registration HAS OPENED and will run through February 10th. Practices will then begin on Monday, February 25th, and will take place on Mondays and Thursdays from 3:30 to 4:45 p.m. If any parents are interested in coaching (yes, please!), please contact Dr. Stacy Bliss at CES (856.3885)!

Electronics/Personal Devices at CES

Coming off the gift giving/receiving season, we always tend to see new electronic devices (phones, MP3 players, etc.) come to school. We have never banned these types of devices – nor do we have any plan to do so...and we only restrict them entirely if they are attempted to be used in class which would disrupt the learning environment – but we do want to discourage students from bringing these types of devices that could be damaged, stolen, etc. Our preference would be that they are left at home, but if they are brought to school, we typically ask students to make sure they remain in their backpacks and turned off. Thank you for your help and cooperation!

The Weekly Expression:

Treat every person with respect and kindness.
Period. No exceptions.

PRIDE Traits: Respect, Integrity, Duty, Excellence

After School Pick-Up and Drop-Off

Student safety is and will continue to be the TOP priority here at CES. And with roughly 400 students needing to get to the right place each afternoon, and the phone ringing off the hook, end of day dismissal is a key issue for us so we can ensure safety for all. With that in mind, we are trying to limit the number of adults who are waiting in our lobby each day. Unless it is an absolute necessity that you pick up your child in the office, we are respectfully asking that any students being picked up, please be picked up outside the west doors of our school in the parent waiting area. Please let Mr. Renfrow if you have questions or concerns. Thank you for helping us keep our school safe!

Souper Bowl of Caring is Back

Once again CES is partnering with other local organizations to participate in the Souper Bowl of Caring, which strives to collect donated self-stable food items to support local families. This year we will be collecting food all next week – January 28 through February 1 – with weighing taking place on February 4th. The winning class will earn a banana split party and the teacher of the winning class will earn dinner for two at Davetos. We hope to collect dozens and dozens of pounds of food! Thank you for your participation!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
