The Weekly Expression:

Respect for ourselves guides our morals. Respect for others guides our manners.

PRIDE Traits: Respect, Integrity, Duty, Excellence

Spring Parent/Teacher Conferences: Please Read

On Monday, March 25th and Tuesday, March 26th (from 3:45 p.m. to 8:00 p.m. each evening), we are excited to welcome all our awesome families back into CES for our Spring conferences. These are a great opportunity to discuss student growth and continued next steps.

We will be sending home Conference sign-up forms on Tuesday, March 12th. When you see them, please fill them out and return right away so we are able to get you scheduled for your date and time. Then, the next week, on Tuesday, March 19th, you will receive date and time information along with the Tuesday Express. If you have any questions, please let us know.

Otherwise, we are very excited to see all of you then!

E.A.R.N. Fundraiser - Back and Better than Ever

We are pleased to announce that our Exercise, Arts, Reading and Nutrition (E.A.R.N.) fundraiser will be kicking off on Friday, March 22nd. That day we will get students information about the fundraiser events (like our color run!), how to safely raise money to support our school and much more. This fundraiser has raised nearly \$18,000 for our school the past two years, and we're hoping for it to be just as big of a success this year. The actual fundraiser day will be held on Friday, April 12th.

There will be much more information coming soon!

CMAS/PARCC Testing Schedule

It is time for our 3rd through 5th graders to show off all they know on our CMAS state testing. Please see the backside of this page for more information, and please be looking out for special encouragement cards coming home for you to fill out for your student! If you have any questions, please give us a call!

Mama and Papa Bear Program

So far we have heard back from a handful of parents and if you are interested in helping be a positive role model and/or helping our school systems, please contact our office! We are still looking for parents who are wanting to get more involved with our school!

National Showcase School Finalist

We are also proud and pleased to announce that Cedaredge Elementary School has once again been selected as a finalist for the Capturing Kids' Hearts National Showcase School award. We were a recipient of the award last year - we were one of just over 100 schools nationwide to be recognized - and we are excited about the progress we've made as a school to continue to put students first in everything we do. We love them all, and we hope to reflect that each day and in every interaction we have with them. If you see ways or areas we can improve, please let us know! We are committed to continuing to find ways to get better each day. Thank you!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
