Spring Parent/Teacher Conferences: Please Read

This upcoming Monday, March 25th and Tuesday, March 26th (from 3:45 p.m. to 8:00 p.m. each evening), we are excited to welcome all our awesome families back into CES for our Spring conferences. These are a great opportunity to discuss student growth and continued next steps.

Please let us know if you do not receive your date/time confirmation note this week. And if you have any questions, please let us know. Also, if any of our awesome parents are interested in feeding our teachers on these two long evenings, please visit:

Monday – Casserole Night

Otherwise, we are very excited to see all of you then! Thank you!

Sports and More Still Getting Going

Please don't forget that this is an awesome time of the year to be signing your children up for all sorts of awesome activities. And as a reminder, softball forms are due March 22nd in our office. If you're curious about other opportunities for your kids, please call or stop by!

CMAS/PARCC Testing Schedule

It is time for our 3rd through 5th graders to show off all they know on our CMAS state testing. Please see the backside of this page for more information, and please continue sending encouragement cards for your student! If you have any questions, please give us a call!

E.A.R.N. Fundraiser – Back and Better than Ever

We are pleased to announce that our Exercise, Arts, Reading and Nutrition (E.A.R.N.) fundraiser will be kicking off this Friday, March 22nd. That day we will get students information about the fundraiser events (like our color run!), how to safely raise money to support our school and much more. This fundraiser has raised nearly \$18,000 for our school the past two years, and we're hoping for it to be just as big of a success this year. The actual fundraiser day will be held on Friday, April 12th. There will be more information coming soon!

Grades and Gradebook

The past two years, CES and all elementary schools in the District have moved to a standards-referenced report card system. What this attempts to do is focus on how students are performing on each grade-level standard while leaving out homework, effort and other elements added to scores. However, on PowerSchool both the traditional grade and the standards-referenced grade are available, which causes confusion. If you have questions or concerns, please contact Mr. Renfrow to discuss. He'll be happy to visit about it! ☺

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
