Apr. 25	Class Pics at CES

E.A.R.N. Fundraiser – Back and Better than Ever

We are pleased to announce that our Exercise, Arts, Reading and Nutrition (E.A.R.N.) fundraiser is back! This year, on Friday, April 12th, our school will be participating in a Color Run! Each student will have the opportunity to raise money – which goes to field trips, books, technology and more – by asking family and friends to sponsor our students as they run or walk as many laps as they can. Students and classes will also have the opportunity to earn prizes -- such as a bike, silly stringing Mr. Renfrow and more -- based on how much they are able to raise...and we aim to collect all money by Friday, April 5th. We are grateful to all who help raise money for our school and then we aim to make the day about being healthy, being great readers and celebrating creativity through art.

Spring Parent/Teacher Conferences: Please Read

We had a wonderful first evening of Parent/Teacher Conferences, and we are excited to welcome our families back in this evening. If we can help you remember your time, please call our office. We look forward to welcoming the rest of our awesome families!

Sports and More Still Getting Going

Please don't forget that this is an awesome time of the year to be signing your children up for all sorts of awesome activities. And as a reminder, baseball forms are due March 27th in our office. If you're curious about other opportunities for your kids, please call or stop by!

March 26, 2019

The Weekly Expression:

Excellence is the gradual result of always
striving to do better.

Pride Traits: Perseverance, Duty,
Excellence

CMAS/PARCC Testing Schedule

We are now one week through our CMAS testing, and we have been so proud of our students! They are working hard and representing our school and town! This week our 3rd graders will be doing their best, so please continue to send encouragement as you also help make sure they get to bed early! Thank you!

Grades and Gradebook

The past two years, CES and all elementary schools in the District have moved to a standards-referenced report card system. What this attempts to do is focus on how students are performing on each grade-level standard while leaving out homework, effort and other elements added to scores. However, on PowerSchool both the traditional grade and the standards-referenced grade are available, which causes confusion...especially since the grades on the report card are standards focused and our honor roll is run from the traditional grades. If you have questions or concerns, please contact Mr. Renfrow to discuss. He'll be happy to visit about it! ☺

BELA Preschool/Kindergarten Registration – April 24th!

This year, our BELA Preschool/Kindergarten Registration Extravaganza will be held Wednesday, April 24th. The kindergarten festivities will run from 8:45 a.m. to 10:00 a.m. and include breakfast snacks available, a book read to the students, information for parents and a school tour. BELA signups will follow.

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
