The Weekly Expression:

The secret of living a life of excellence is merely a matter of thinking thoughts of excellence. Really, it's a matter of programming our minds with the kind of information that will set us free.

Pride Traits: Perseverance, Duty, Excellence

The Last Days of School

We say it all the time, but it's true: can anyone really believe how quickly this school year has gone? As we look out to these final 13 days, we want to make sure we communicate all that we have happening at CES, particularly the last few days. On Thursday, May 23rd, we will be hosting our Track and Field Day, with K-2 enjoying the morning and 3-5 participating in the afternoon. We are grateful to the many parents who have signed up to help volunteer that day! Then, on Friday, May 24th, we will be hosting our final PRIDE Assembly of the year, which will take place from 9:00 a.m. to 9:30 a.m. Following that, at 10:00 a.m., we will be hosting our 5th Grade Continuation Ceremony. All students will be dismissed at 11:30 a.m. this year, which is important to note because no lunch will be served that day. If you have any questions, please let us know!

Library Books!

The marvelous Ms. Stratman is asking that all library books please be returned to the library by this Friday, May 10th. Thank you for reading and then returning so other students will have an opportunity to read again next year! ... And please also register for the Public Library's Summer Reading program - registration will begin on May 20th.

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.

Cedaredge University -Where Dreams Are (STILL) Unlocked

Last week we sent home our course catalog for Cedaredge University, our exciting summer program that celebrates learning and reading. The program is designed for students who will be entering grades 2 through 5 next year and is our way of helping keep reading and learning at the forefront for students! Please check out the info and fill out and return ASAP - we've received 25 back already! Thank you!

Teacher Appreciation Week

Year round, our staff feels love and support from our amazing community, and for that we are beyond grateful! Yet, our fantastic Parent Den is back and going above and beyond for our teachers during Teacher Appreciation Week, which will be taking place next this (May 6-10). Included in the fun will be a lunch on Friday, May 10th. If you are interested in helping provide meals, Mrs. Carrie Conner has created the below link for you to sign up:

<https://www.signupgenius.com/go/5080a49a4a72aa4fcl-teacher2>

Thank you once again for your continued support of our amazing staff and school!
