The Weekly Expression:

There is no end to education. It is not that you read a book, pass an examination, and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning.
Pride Traits: Perseverance, Duty, Excellence

Library Books and Lunch Bills!

The marvelous Ms. Stratman is asking that all library books please be returned to the library at this time. Thank you for reading and then returning so other students will have an opportunity to read again next year! ... And please also register for the Public Library's Summer Reading program – registration will begin on May 20th.

Also, if you owe a lunch balance at the end of this year, it is possible you will not be able to enroll your child for the next school year. To ensure that there are no hold-ups to getting your child(ren) registered for the 2019-20 school year, please help make sure that you have a zero balance at the end of this school year. Thank you!

Cedaredge University –Where Dreams Are (STILL) Unlocked

This is just another reminder to please sign up for Cedaredge University, our exciting summer program that celebrates learning and reading. The program is designed for students who will be entering grades 2 through 5 next year and is our way of helping keep reading and learning at the forefront for students! We have more Course Catalogs online and in the office. Please check out the info and fill out and return ASAP – we've received 40 back already! Thank you!

The Last Days of School

And just like that...another week has vanished! As we look out to these final 8 days, we want to make sure we communicate all that we have happening at CES, particularly the last few days. On Thursday, May 23rd, we will be hosting our Track and Field Day, with K-2 enjoying the morning and 3-5 participating in the afternoon. We are grateful to the many parents who have signed up to help volunteer that day!

Then, on Friday, May 24th, we will be hosting our final PRIDE Assembly of the year, which will take place from 9:00 a.m. to 9:30 a.m. Following that, at 10:00 a.m., we will be hosting our 5th Grade Continuation Ceremony. All students will be dismissed at 11:30 a.m. this year, which is important to note because no lunch will be served that day. If you have any questions, please let us know!

Teachers LOVE Teacher Appreciation Week

Our entire staff would like to thank our amazing community for all the love and appreciation expressed last week. We were spoiled the entire week, and students went above and beyond to say thank you.

To all our amazing parents, please know how much you matter to our staff and our school. CES is absolutely a world-class school, and we feel so fortunate to be supported by such a wonderful community!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
