- Sept. 5 School Picture Day at OES

Online Registration Opens Aug. 3rd

This year our online registration will begin on Saturday, August 3rd for all returning students (that includes students who attended BELA and Little Sprouts). As solid numbers and up-to-date contact information helps us plan and communicate effectively at the beginning of the school year, we are hopeful that all families will register as soon as possible (and also take the time to ensure that all contact information, emergency contacts, etc. are current and accurate). To register, please log onto www.deltaschools.com and follow the registration links.

If you have questions or concerns, please email Mr. Renfrow (daniel.renfrow@deltaschools.com) or you are also very welcome to attend our Registration Day on Thursday, August 8th. This is not a mandatory piece of the registration process; however, we do want to make sure that if you have any questions or are encountering any problems with the registration process, that you can come in and visit with us directly. We will be at the school from 8:30 a.m. to 3:00 p.m. that day.

Otherwise, our secretary and administrative meetings begin on August 1st and 2nd, and secretaries and principals will be back in the building on Monday, August 5th if you'd like to call into the school then (970.856.3885). It's going to be a great year!

The Weekly Expression:

We cannot wait to welcome all our amazing students back for another fantastic year at Cedaredge Elementary School! We remain committed to loving and growing your children emotionally and academically each and every day. And we are always here to answer questions and partner with families!

The First Week of School Looks a Little Different

This year, for the first time in a few years, the first day of school will start on a Wednesday – Aug. 21st. All 1st through 5th grade students will begin that day. Our kindergarten students will have a different schedule, however. We break our kindergartners into three groups, with each group attending Wednesday, Thursday or Friday. Then there will be parent meetings with the kindergarten teachers each of those days at 2:30 p.m. Then, all kindergarten students will attend each day beginning on Monday, August 26th. This Monday, we will be sending out letters/emails to families with a kindergarten student that will include teacher information and which day your child will be attending that first week and, if you have any questions, please let us know!

Staying in Touch

As the school year approaches, not having answers to questions can be frustrating. If you have any questions or need any information, please just send Mr. Renfrow an email at daniel.renfrow@deltaschools.com, and he will happily reply as quickly as possible. Also, we will be back in the office on Monday, August 5th and will happily help then as well. We hope that you and your families have had a wonderful summer! Please also continue to carve out some time for your child(ren) to read/solve math facts – every minute counts and those extra reps will help once school starts!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
