Student Drop-Off, Pick-Up and Bus Riders

The first week of school each year there can be a bit more in students' hands and shoulders, literally and figuratively. Therefore, we absolutely encourage our parents to use our south parking lot in the morning to park and walk in with their students to help them drop off supplies and get situated – please note there is no parking in the fire lane. However, if students are being dropped off and no adults are walking in with them, we respectfully ask that students are dropped off on the west side of the football field on NW 3rd Street. This system allows us to minimize the traffic in our parking lot – thereby keeping students, teachers and families safer – and also reduces congestion on Highway 65. We will have staff on hand to help unload students each morning at the drop-off location, which will also function as our afternoon pick-up location again this year as well. If you have questions or concerns, please let us know! Finally, if your student rides a bus, please help us communicate correct bus numbers! These first few weeks, let's all try to over-communicate this critical logistical info! **We hope that you are all very excited about starting another school year! It's going to be an amazing year of learning and growth! We can't wait!!**

The Weekly Expression:

We cannot wait to welcome all our amazing students back for another fantastic year at Cedaredge Elementary School! We remain committed to loving and growing your children emotionally and academically each and every day. And we are always here to answer questions and partner with families!

The First Week of School Looks a Little Different

This year, for the first time in a few years, the first day of school will start on a Wednesday – tomorrow, Aug. 21st. All 1st through 5th grade students will begin that day. Our kindergarten students will have a different schedule, however. We break our kindergartners into three groups, with each group attending Wednesday, Thursday or Friday. Then there will be parent meetings with the kindergarten teachers each of those days at 2:30 p.m. Then, all kindergarten students will attend each day beginning on Monday, August 26th. If you have any questions, please let us know!

Events to Start Our School Year Off

We hope that all our families are able to join us on Thursday, August 29th for our Back to School Ice Cream Social from 5:30 p.m. to 7:00 p.m. that evening. In addition that that fun evening, we also hope that families also take advantage of:

- The Delta Family Center's Back to School BBQ (free food!), which will be on Friday, August 23rd from 4:00 p.m. to 7:00 p.m. at 822 Grand Avenue in Delta.
- Grand Mesa Arts and Events Center is welcoming "Lunar Landing Sites, Past and Future" on Saturday, August 24th at 6:30 p.m. It is \$10 for adults and \$5 for students 15-years old and younger to hear from a NASA representative.

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
