The Weekly Expression:

We remain committed to loving and growing your children emotionally and academically each and every day. Our focus this year is on effort, growth, having a positive mindset and being kind. And we are always here to answer questions and partner with families!

Picture Day at CES this THURSDAY

This Thursday, September 5th, we will have school pictures at CES (and information about purchasing photos is being sent home with the Tuesday Express). All students will have their picture taken, even if they do not purchase photos.

Parent Communication

We have gotten off to a wonderful start to this school year, and that goes doubly for how well families have been communicating about after-school plans. Just a reminder, though: you can always send a letter with your child to give directly to his/her teacher. That is an even more efficient way to communicate your child's after-school plans. Of course, if plans change during the day, you're always welcome to call our office as well. Thank you for your amazing communication!

Lots More Information...Join our Email List!

The Tuesday Express newsletter always aims to serve as a quick, efficient means of communicating important information with students, staff, families and the community. However, there's no way for this little one page document to communicate all that we have going on! So, if you haven't yet, please make sure we have your email address on file so when we send out the Tuesday Express digitally, you also receive important links, videos and other informative documents. This week, we're sending out a link to DCSD's new safety video, so please do sign up if you haven't yet.

Homecoming Week Dress-Up Days NEXT WEEK

Next week is Homecoming at CHS, and we want to take part by celebrating along with their dress-up days! Here is the dress-up day schedule for next week:

- Monday: Crazy Day (Crazy hair with a Crazy Outfit);
Tuesday: Old and Young Day (Dress as an elderly person or baby);
Wednesday: School and College Day (Bruins or favorite college);
Thursday: Favorites Day (Favorite tv, movie or book character);
Friday: Blue and White Day (Wear blue & white to support Bruins).

School Health Advisory Committee at CES

CES community, we are excited to introduce our School Health Advisory Committee (SHAC) team: Sara Sharer, Rebecca Van Tilborg, Amber Henry, and Dr. Stacy Bliss. The SHAC team is working on a variety of health-related topics. Our mission is to inspire the CES learning community towards an optimum healthy learning environment by providing opportunities, resources and collaboration. This year's focus is on nutrition and physical exercise. Coming soon is a school garden, Tuesday Express SHAC blog including recipes and activities to do at home as well as classroom and student connections. The best SHAC's collaborate with many different community resources and we are looking for your input.

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
