

Cedaredge Elementary School

“Tuesday” Express

March 30, 2020

Important Distance Learning Information:

- Starting on Monday, March 30th and continuing each Monday, weekly learning packets for all K-5 students will be available at CES from 8:00 a.m. to 1:00 p.m. and at the Cory Store from 11:00 a.m. to 1:00 p.m.
- If picking up at CES, K-2 packets will be at the front entrance while 3-5 will be by bus loop.
- Please return completed packets on Friday of each week to either CES or the Cory Store during those same hours listed above.

Distance Learning through CES

This past week our staff collectively worked to connect with all our families as well as to start preparing learning packets for all our students, K-5. These packets are intended to provide learning opportunities for students to review key skills and information each weekday. To pick up a learning packet, please visit CES from 8:00 a.m. to 1:00 p.m. (see above) or the Cory Store from 11:00 a.m. to 1:00 p.m. each Monday. We then will ask that completed packets are returned to CES or the Cory Store that Friday (during the same hours listed above). If you are unable to collect a packet during those hours, please contact our school to let us know. Our school phone hours will be Monday from 8:00 a.m. to 2:00 p.m. and Tuesday through Thursday from 10:00 a.m. to 2:00 p.m. If you need to reach someone before or after these hours, please contact Mr. Renfrow through his email - daniel.renfrow@deltaschools.com - or through his Google voice number - 970.812.3018. Thank you!

The Weekly Expressions:

- Our school is here to help anyway we can. If you are lacking food or resources, please give us a call - we are ready to help!
- Please stay healthy by washing hands thoroughly and regularly, by avoiding contact with your face and by maintaining social distancing when others are nearby.

What are Office Hours?

Since we cannot see your children each day in person, at the very least, we want to check in with each student weekly. Our teachers have created schedules to check-in with students/families weekly, and all teachers are also having “Office Hours” where they’ll be available each day to answer questions about the homework and provide instruction. We will have each teachers’ office hours posted on our website later this week.

What’s Next...and (Hopefully) Internet for All!

This is an unprecedented time that we are all attempting to understand. We are a great school in an awesome community...and we will get through this! Right now, we are using the packet (paper/pencil) model, but we hope to ultimately work our way to a blended (which includes online learning too) model for our intermediate (3-5 and perhaps 2nd) grades in the coming weeks. If we can help your family get internet access, please let us. Please see the letter included in our weekly email for more information about how to get connected.

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
