

Cedaredge Elementary School

Distance Learning Express

Important Distance Learning Information:

- We've combined days! The returning of completed packets **and** the passing out of all K-5 packets will now take place on Fridays at CES from 8:00 a.m. to 1:00 p.m. and at the Cory Store from 11:00 a.m. to 1:00 p.m.
- If picking up at CES, K-2 packets will be at the front entrance while 3-5 will be by bus loop.
- If it works better for you to return your child's completed packet electronically using your phone or device, please do!

Distance Learning through CES – April 6th

This past week, we worked with families of current 4th and 5th graders needing a technological device to disburse Chromebooks. We are also eager to work with families to secure internet connectivity through free or reduce-priced internet or through wireless hotspots. If you are needing help securing service, please contact Mr. Renfrow through his email – daniel.renfrow@deltaschools.com - or through his Google voice number – 970.812.3018.

This week, we will be working with families of current 2nd and 3rd graders needing a device for their child. Please talk to your child's teacher, and we will be communicating a plan for pickup later this week. Due to our limited number of Chromebooks available, we must focus on highest need first. We appreciate your understanding.

If you are unable to collect a packet during the hours listed above, please contact our school to let us know. We very much want to continue to work together with families during this extraordinary time. Thank you.

April 6, 2020

The Weekly Expressions:

- Out of the 355 packets made the first week, over 99% have been picked up and distributed. Thank you for helping make this successful!
- You can reach folks in our office during the following days/hours each week: Monday from 8:00 a.m. to 2:00 p.m. and Tuesday through Friday from 10:00 a.m. to 2:00 p.m.

An Updated...Update

Once we are able to get our students in grades 2nd through 5th equitable technology and internet access, we do want to begin slowly transitioning into our blended online model. This is new for our entire staff as well, so it will take time, but we're hoping to offer 1-on-1 and small group video conferencing, sharing (and receiving) work electronically to limit what needs to be included in the physical packet and more. Our kinders and 1st grade families will still be largely rooted to the packet model, but we are willing to partner with you in any way possible to meet the needs of your child and family.

A Check-In on Office Hours

Our staff is continuing to work hard to ensure that we're making contact with each student at least weekly and that we're available to answer questions that may arise because of the work being sent home. Please continue to work closely with your child's teacher to ensure stress levels remain low as we work together to serve each child. Thank you!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
