## Distance Learning Express

### Important Distance Learning Information:

- We've combined days! The returning of completed packets **and** the passing out of all K-5 packets will now take place on Fridays at CES from 8:00 a.m. to 1:00 p.m. and at the Cory Store from 11:00 a.m. to 1:00 p.m.
- **All packets at CES will now be picked up and dropped off in our front entrance loop.**
- If it works better for you to return your child's completed packet electronically using your phone or device, please do!

### Distance Learning through CES – April 17<sup>th</sup>

We now have distributed needed Chromebooks to students/families in grades 2 through 5! We are also still very eager to work with families to secure internet connectivity through free or reduce-priced internet or through wireless hotspots. If you are needing help securing service, please contact Mr. Renfrow through his email – [daniel.renfrow@deltaschools.com](mailto:daniel.renfrow@deltaschools.com) - or through his Google voice number – 970.812.3018.

### New Information about the Cory Store Pickup/DropOff

Starting this Friday, per the County Health Department, students/families are not allowed to be out of their vehicle during the lunch window at the Cory Store. Instead, we will have a process where you can return last week's packets and collect this week's materials before pulling up to request lunches, if you'd like. All will take place in your vehicle. Thank you for your help to keep us in compliance.

## April 17, 2020

### The Weekly Expressions:

- Please let us know if and how we can be helping to support your family! We are all in this together, and we want to help if we can!
- You can reach folks in our office during the following days/hours each week: Monday through Thursday from 10:00 a.m. to 2:00 p.m. and Friday from 8:00 a.m. to 2:00 p.m.

### More Feedback and Office Hours

As we await word regarding whether our school district will return to in-person instruction or if we'll continue our distance learning model, please continue to give us feedback regarding how we can partner with you as well as areas you see for improvement. Also, we hope that you and/or your child are able to continue to meet weekly with your child's teacher. If you have questions, please reach out during office hours. Thank you!

### Some Final Information to Share

- Despite some rumors to the contrary, participation in our distance learning is required. The Colorado Department of Education and our district are requiring participation in our distance learning to be promoted to the next grade level, so we do expect participation and we, in turn, will provide feedback to students.
- Lunches and packets will be available next week – April 20-24. Our spring break was moved to the week of March 23-27.

### Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
