Distance Learning through CES – April 24th

We have some major updates to share with families:

- Our School District has cancelled in-person schooling for the remainder of this year. We will continue with our Distance Learning model.
- We will continue to create packets, with Friday, May 8th being the final week for families to pickup the week of May 11th – 15th packets.
- All students who have turned in all their work by Friday, May 15th will be done with this academic school year. If students are missing work at that time, teachers will work with students and families the week of May 18th – 22nd to have all missing work turned in by May 22nd. No work will be accepted after May 22nd.

Please contact Mr. Renfrow through his email – daniel.renfrow@deltaschools.com - or through his Google voice number – 970.812.3018 – if you have any questions or concerns.

The Weekly Expressions:

- Please let us know if and how we can be helping to support your family! We are all in this together, and we want to help if we can!
- You can reach folks in our office during the following days/hours each week: Monday through Thursday from 10:00 a.m. to 2:00 p.m. and Friday from 8:00 a.m. to 2:00 p.m.

New Information about the Cory Store Pickup/DropOff

Thank you to our families who pickup and drop off at the Cory Store. We will continue to have the same system where families will stay in their vehicle when picking up and dropping off packets as well as grabbing lunches.

Thank you for your help and understanding.

Some Final Information to Share

- We hope to announce plans soon regarding if we are able to continue with our previous policy of allowing parents to request teachers as well as information about when families can gather their child's belongings. Please stay tuned!
- There will be 75 Food Bank of the Rockies food bags available each Friday. We hope you come early if you can benefit from them.
- Just a reminder that participation in our distance learning is required. We do expect participation and we, in turn, will provide feedback to students.
