

Cedaredge Elementary School

Distance Learning Express

Important Distance Learning Information:

- This is the final week we will be distributing learning packets. We will be collecting these final packets next Friday, May 15th. All students who have completed their work will be done on May 15th, so keep working hard and you'll be done!
- All packets at CES will be picked up and dropped off in our front entrance loop.
- If it works better for you to return your child's completed packet electronically using your phone or device, please do!

Distance Learning through CES – May 8th

- As noted above, this is the last packet we'll be distributing for this school year. These and all previous packets can be returned next Friday, May 15th.
- All students who have turned in all their work by Friday, May 15th will be done with this academic school year. If students are missing work at that time, teachers will work with students and families the week of May 18th – 22nd to have all missing work turned in by May 22nd. **Per our school district's request we will be accepting work until May 29th, however, with report cards sent out the following week.**
- Quarter 4 report cards will look a bit different this year – as they will have a narrative provided instead of typical grades. Please continue to work hard so teachers can offer an accurate, thorough narrative.
- There will continue to be Food Bank of the Rockies food bags available each Friday.

May 8, 2020

The Weekly Expressions:

- Please let us know if and how we can be helping to support your family! We are all in this together, and we want to help if we can!
- You can reach folks in our office during the following days/hours each week: Monday through Thursday from 10:00 a.m. to 2:00 p.m. and Friday from 8:00 a.m. to 2:00 p.m.

End of Year Information

- We are missing a LOT of library books. Please help your child search for missing library books and return them as soon as possible!
- Registration for next year's kindergartners has begun! Please go to www.deltaschools.com to register your soon-to-be kindergartner. All returning student registration will take place later this summer.
- We are now accepting teacher requests for next year. Mr. Renfrow is sending out a Google form to guide families through that process. They will be due by Wednesday, May 13th.
- We are currently finalizing a plan for us to stagger times the weeks of May 18th and May 25th for students and families to gather belongings, say bye to their current teacher and meet their teacher for next year. We also will have a finalized plan for 5th grade continuation soon as well.

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
