Distance Learning Express

Important Distance Learning Information:

- This is the final week we will be formally collecting learning packets. A reminder that all students who have completed their work will be done on May 15th, so keep working hard and you'll be done!
- All packets at CES will be picked up and dropped off in our front entrance loop.
- If it works better for you to return your child's completed packet electronically using your phone or device, please do!

Distance Learning through CES – May 15th

- All students who have turned in all their work by Friday, May 15th will be done with this academic school year. If students are missing work at that time, teachers will work with students and families the week of May 18th – 22nd to have all missing work turned in by May 22nd. **Per our school district's request we will be accepting work until May 29th, however, with report cards sent out the following week.**
- Quarter 4 report cards will look a bit different this year – as they will have a narrative provided instead of typical grades. Please continue to work hard so teachers can offer an accurate, thorough narrative.
- There will continue to be Food Bank of the Rockies food bags available each Friday.

PLEASE RETURN LIBRARY BOOKS!

We are missing a LOT of library books. Please help your child search for missing library books and return them as soon as possible!
