August 25, 2020

The Weekly Expressions:

We've got to have a dream if we are going to make a dream come true.

➤ Denis Waitley

We are so excited to be back at CES!

Cedaredge Elementary School – 100 Years and Going Strong

In 1920, the building we now welcome students into each day was constructed. One hundred years later, we are proud to continue the great history and heritage of public education in Cedaredge.

This year has brought challenges unseen in our lifetimes...and not since that previous era. However, we as a school community are up to meeting the challenges of this moment, and we are actively finding opportunities to better serve our students and families as we meet our primary goal each day: to love and educate every student that walks through our doors.

There will be elements that will look different from past years, but please trust that in this centennial anniversary of our building's founding, we are determined to stand tall by working hard to ensure your child's (and our staff's) safety and health while we aim to offer high quality instructional practices in all our of classrooms.

Thank you for entrusting your children with us again this year. We promise to make each moment count and to work doggedly to help our students any way we can.

Back to School Night...Virtually

This year, with parent access being limited across all schools in our district, we are having to reimagine Back to School Night. With that in mind, our Back to School Night will take place on Tuesday, September 1st, and you will be able to join our teachers via Google Meet. We will be sending more information home that day (next week), but please be ready to join your child's teacher from the comfort of your home!

Missing Books

With the 2019-20 school year ending rather abruptly, we are still missing approximately 120 books. We will be sending home notices for missing books – please help us locate and return these books as soon as possible. If the books are lost, we will ask that you pay for the book.

Staying Connected

If you have questions, concerns or just want to stay in the loop, please give us a call at 970.856.3885. Also, if you're able, please join us this Thursday for a Parent Den meeting, which will be held on Google Meet. Contact Mr. Renfrow (daniel.renfrow@deltaschools.com) to join

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.

The Back Page – Counselor’s Corner

My name is Cathleen Moffitt, and I am so excited to join Cedaredge Elementary this year as the School Counselor! I love working with students and having the opportunity to build relationships with both students and families. Here’s what I do at our school:

- ☆ Classroom Lessons: I will meet with each classroom once a month throughout the school year to teach social-emotional skills such as emotional regulation, communication, problem solving, and positive friends.
- ☆ Small Groups: I offer small group counseling throughout the year for students who need a little extra support in a certain area.
- ☆ Individual Counseling: I meet with students short-term to work through problems affecting them at school.
- ☆ Consultation: I also work collaboratively with parents, teachers and other staff in order to plan for and problem solve for student success.

My goal is for each student at Cedaredge Elementary to reach academic, social and personal success. Please reach out if I can help you in any way:
