September 15, 2020

The Weekly Expressions:

Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it.

➤ Lou Holtz

Parent Teacher Conferences are SET!

Going home with this week's Tuesday Express, you will find information about signing up for Parent Teacher Conferences. Our main conference day will be Monday, September 28th (please note there will be no school at the elementary level that day), and your child's teacher will also inform you about an additional evening for conferences to take place that week. This year, we must offer conferences remotely through virtual Google Meetings or through phone calls. However, although this year's format may look and feel different, please join us! We refuse to let the pandemic get in the way of our partnership with families, and this conference is crucial for enhancing communication and goal setting! Please send back your completed form immediately!

Safety Drills at School

This week at CES, we will be practicing a lockdown drill with our students and staff. These drills are meant to prepare - not scare. Thank you for support as we continue our mission of keeping students safe every day they are at CES!

Art at Home

The Grand Mesa Arts and Events Center is still offering student art and activity packets. Please stop by to pick one up (mask required)! Thank you.

Parent Leaders Needed

Although there are fewer volunteers allowed into buildings across the district, we still very much want to keep our partnership with Parent Den strong and vibrant...and we're presently looking for three awesome parents who'd like to get involved! We are currently looking to add a kindergarten and 5th grade parent leader as well as a district accountability rep. Please let Mr. Renfrow know if you're interested!!

Time Change for Bus 174 and Bus 189

Starting tomorrow (Sept. 16th), buses 174 and 189 will begin picking students up 10 minutes earlier than their current bus stop time. If you have any questions, please call Ron at 856.3933

Helping Cope with Grief

The Learning Council and HopeWest are teaming up to present a virtual workshop for anyone facing grief.

These workshops will be taking place October 14, 21 and 28 and will be held in a Zoom meeting. To register, please visit <http://www.thelearningcouncil.org> and for any questions, contact Carrie Bauer (874.0628).

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
