### Storybook Day – October 29<sup>th</sup>

We will have more information soon, but we did want to communicate that DCSD elementary schools are planning to proceed with Storybook Day this year on October 29<sup>th</sup>. As always, we ask that costumes are based on books and stories, that they are not intended to scare or frighten and that there are no accessories with them. We will have class parties that afternoon, but no outside adults will be allowed into the building and any items sent to contribute to the classroom parties are individually wrapped. Thank you.

### Growing the Foundation for a Cedaredge Elementary School Garden of Delight

The Cedaredge Elementary School Health Advisory Team is working to increase student's access to, and knowledge of, fruits and vegetables. This year, the CES SHAC is working to build garden space at the school. We will then work with teachers to use the gardens through class lessons. Students will also get the opportunity to taste the produce they grow, and recipes will be shared in the Tuesday Express. Right now, the biggest challenge our SHAC team faces is recruitment. We currently have three dedicated members but more willing hands are needed! If you are interested, please contact Sara Sharer ([856.3885](tel:856.3885)/[sara.sharer@deltaschools.com](mailto:sara.sharer@deltaschools.com)).

## October 6, 2020

### The Weekly Expressions:

The power of one, if fearless and focused, is formidable, but the power of many working together is better.

### Parent Den Organizes Pledge Run Fundraiser –

#### Please Help Us Raise Money

This week we are sending home Pledge Forms for a fundraiser our Parent Den is creating to promote health while raising money for our school. Students will have time then to secure either flat rate or per lap donations to be collected by Friday, October 29<sup>th</sup>. Then, during our PE time on Friday, October 23<sup>rd</sup>, grade levels will run our track and count laps.

### Helping Cope with Grief

The Learning Council and HopeWest are teaming up to present a virtual workshop for anyone facing grief.

These workshops will be taking place October 14, 21 and 28 and will be held in a Zoom meeting. To register, please visit <http://thelearningcouncil.org> and for any questions, contact Carrie Bauer (874.0628).

### Thank You!

We have made it through one quarter, in large part because of the amazing support of our families and community! Please do continue to keep your children home if they exhibit symptoms, and we promise to do all we can to maintain a safe, healthy school!

### Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
