

Class Run: Oct. 23, 2020

Hello Friends and Families,

Here at Cedaredge Elementary School, we are getting creative with our fundraising! This fall, each class will participate in a Pledge Run! This will consist of students from each class running for forty minutes during PE time around the track, while tallying the number of laps they run! We are requesting that each student ask friends and families to pledge a dollar amount for each lap they run or a flat rate donation! Therefore, if a student receives a pledge of 1 dollar per lap and they run 10 laps that is 10 dollars! Please help our students raise funds for this school year! The class that runs the most laps will receive the Grand Prize...Duct Taping Mr. Renfrow to a Wall!!!!
