## October 27, 2020

### The Weekly Expressions:

We must look for the opportunity in every difficulty instead of being paralyzed at the thought of the difficulty in every opportunity.

➤ Walter E. Cole

### Storybook Day - October 29<sup>th</sup>

We are excited to be proceeding with Storybook Day this Thursday, October 29<sup>th</sup>. As always, we ask that costumes are based on books and stories, that they are not intended to scare or frighten (and that would include not including blood or gore) and that there are no accessories (such as fake swords) with them. We also request that any face paint does not cover more than 50% of the face. We definitely want students to enjoy the day, and we only ask these requirements of costume selection to ensure that our younger students are not scared here at school and that costumes are not distracting in the learning environment.

We will have class parties that day, but no outside adults will be allowed into the building and any items sent to contribute to the classroom parties are individually wrapped. If you have any questions or concerns, please let us know. Otherwise, thank you for your support.

### No School - This Friday

Just a reminder that we will not have school this Friday, October 30<sup>th</sup>, as that will be a professional learning day for our teachers and administrators. Thank you very much, and we will be happy to see all our amazing students back on Monday, November 2<sup>nd</sup>!

### A BIG FUNDRAISING THANK YOU!

This past Friday, our students ran a combined 2,199 laps around our track, which equates to running just over 439 miles together! Please bring all money raised to CES by this Thursday, which is when the announcement will be made about who will get to tape Mr. Renfrow to the wall as well as other rewards for raising money for our school. Thank you for your support!

### A Few Reminders

- In order to help families with the question of "How sick is too sick for school?" we will be emailing and sharing on Facebook a document that helps families sort out symptoms. Please keep your children home if they exhibit symptoms.
- Please send water bottles with your students each day. Our water fountains are turned off and we want our students to stay hydrated.
- The US Department of Agriculture has announced that they will be extending free meals for all students through the end of this school year. This includes breakfast and lunch, and we hope this benefits all of our families. Thank you.

### Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
