100 Amazing Years at CES...with NEW WEBSITE

So far we have heard back from a number of former alumni who have shared their experiences in our amazing, historic school. We now have created a website that will make it even easier to do so. Please visit ces100yearcelebration.com to share your stories and memories! Thank you!

Bruin Holiday Shop

The past few years CES has hosted a Holiday Penguin Patch store for students to purchase inexpensive items for friends and family. This year, we are bringing back the same concept, just with a new name...the Bruin Holiday Shop. Our Parent Den, led by Mrs. Carrie Conner, will be helping run the shop from start to finish, which will help our school raise more money while ensuring that the joy of giving is still the center theme of the event. The event will run from Monday, December 7th through Friday, December 11th.

Christmas Town Concerts

Please don't forget to plan ahead to join us on Saturday, December 12th (grades 3-5) and Sunday, December 13th (grades K-2) as our students will be able to perform at Pioneer Town. We hope this is a fun, optional way for your students to share their normal holiday joy and cheer. We hope to see you there!

The Weekly Expressions:

One of the most courageous things you can do is identify yourself, know who you are, what you believe in, and where you want to go.

PLEASE SEND WATER BOTTLES EACH DAY!

Please send water bottles with your students each day. Our water fountains are turned off and we want our students to stay hydrated, which they can do by filling up their water bottles in classroom sinks. Thank you for your help with this!

A Few Reminders

- In order to help families with the question of "How sick is too sick for school?" we will be emailing and sharing on Facebook a document that helps families sort out symptoms. Please keep your children home if they exhibit symptoms.
- The USDA has extended free meals for all students through the end of this school year. This includes breakfast and lunch, and we hope this benefits all of our families. Thank you.
- Please note that tomorrow Wednesday, November 18th, our cafeteria will be serving a traditional Thanksgiving meal for lunch. This was not shared on the initial lunch menu and we want to make sure that students don't miss out!

1920-2020: 100 Years of Memories

As noted on the front page, before we say goodbye to 2020 and welcome 2021, we want to properly honor our amazing school. According to HistoryColorado.org, beginning in 1920 as the Cedaredge Consolidated School, our building was one of the first examples in Colorado of “the consolidation of rural students within a school equipped to offer a varied educational program.” Over the years it has served as a high school, a middle school and, of course, an elementary school for students from across Delta County and our local community here in Cedaredge.

Our goal is to honor this amazing building and its history in our community by gathering the many stories, memories and feelings that have taken place or been created here. If you or a family member have a story to share, please either write it below or reach out to Mr. Renfrow (daniel.renfrow@deltaschools.com/970.856.3885). Our students, staff, alumni and entire community will help us celebrate 100 years of memories together. If you fill out this form, please return to CES.
