#### Continued Monitoring and Transparency about COVID

We as a school have had to do three small quarantines this semester, but we have fared much better than many other schools in our area. We have been so appreciative of our partnership with our families and the community, and as we've spoken to families and worked through our protocols, we've felt tremendous support. And...we have been able to keep our school open every day this semester, which is our largest celebration!

As we wrap up this week and move to the second semester, we will continue to do all we can to keep our students, staff and families safe and healthy, while we also aim to keep our school open and thriving. To that end, our school district wants to proactively share the number of confirmed COVID cases in each school community. Please visit [www.deltaschools.com/return-to-school.php](http://www.deltaschools.com/return-to-school.php) to see this data. Thank you again for your support!

#### Holiday Concerts - UPDATE

We missed having all our families in the gym to celebrate our awesome students as they perform their annual holiday concerts. However, we are eager to share the recordings we made of them shining brightly! We are working to have them ready by Wednesday or Thursday. At that time, we will send out links through our Swift email system and by uploading them to Facebook and our website!

#### PLEASE SEND WATER BOTTLES EACH DAY!

Please send water bottles with your students each day. Our water fountains are turned off and we want our students to stay hydrated, which they can do by filling up their water bottles in classroom sinks. Thank you for your help with this!

#### 100 Amazing Years Website...IS LIVE

Our website is now live, but we need more stories to continue to broaden and deepen the picture of our school's history and heritage! Please visit [ces100yearcelebration.com](http://ces100yearcelebration.com) to view other's stories and memories and to share your own! We want to share the many rich and meaningful stories from our building's illustrious history! Thank you!

#### A Few Reminders

- In order to help families with the question of "How sick is too sick for school?" we will be emailing and sharing on Facebook a document that helps families sort out symptoms. Please keep your children home if they exhibit symptoms.
- Do It Yourself Holiday Gift Packets for Students are now available at the Grand Mesa Arts and Events Center! Each week there will be a new packet! To pick up one up, please just stop by GMAEC (with your mask on).

#### Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
