Feb. 15-19	No School - Winter Break

January 12, 2021

The Weekly Expressions:

A person always doing his or her best becomes a natural leader, just by example.

➤ Joe DiMaggio

Continued Monitoring and Transparency about COVID

We as a school have had to do three small quarantines this year, but we have fared much better than many other schools in our area.

We have been so appreciative of our partnership with our families and the community, and as we've spoken to families and worked through our protocols, we've felt tremendous support. And...we have been able to keep our school open every day so far this school year, which is our largest celebration!

As we start a new semester, we will continue to do all we can to keep our students, staff and families safe and healthy, while we also aim to keep our school open and thriving. To that end, our school district wants to proactively share the number of confirmed COVID cases in each school community. Please visit

www.deltaschools.com/return-to-school.php to see this up-to-date

data. Thank you again for your wonderful support!

No School Next Monday

Just a quick reminder that there is no school next Monday, January 18th so our teachers can collaborate and learn alongside other teachers throughout our district. Thank you!

PLEASE SEND WATER BOTTLES EACH DAY!

Please send water bottles with your students each day. Our water fountains are turned off, and we want our students to stay hydrated, which they can do by filling up their water bottles in classroom sinks. Thank you for your help with this!

100 Amazing Years Website...IS LIVE

Our website is now live, but we need more stories to continue to broaden and deepen the picture of our school's history and heritage! Please visit ces100yearcelebration.com to view other's stories and memories and to share your own! We want to share the many rich and meaningful stories from our building's illustrious history! Thank you!

A Few Reminders

- In order to help families with the question of "How sick is too sick for school?" we will be emailing and sharing on Facebook a document that helps families sort out symptoms. Please keep your children home if they exhibit symptoms.
