### Updated School Culture Targets

Cedaredge Elementary School has been recognized three consecutive years as a Capturing Kids' Hearts National Showcase School, and we are a finalist once again this year. Yet, we as a school are continually aspiring to further enhance our culture and our care of students.

Yesterday, as part of our staff learning time, we identified two areas from our student Panorama survey where we want to further progress: our delivery of timely, authentic feedback and wanting to know more about our students' lives outside of school. As we move through this semester, we hope you help check in with your children about how we're doing in these two areas. And if you have any feedback, please let Mr. Renfrow know. Thank you!!

### Lots Happening at GMAEC!

The Grand Mesa Arts and Events Center is still working hard to offer creative opportunities for students and families. For instance, this Sunday, January 24<sup>th</sup>, they are hosting a Parent/Child Paint Together class from 2:00 p.m. to 4:00 p.m. (\$10 for parent and child). They also have new art packets available! Please take advantage of these awesome opportunities!

### 100 Amazing Years Website...Closing Soon

Our website dedicated to the stories about our historic school will be closing down soon, so please submit your stories for the time capsule before it's too late. Please visit [ces100yearcelebration.com](http://ces100yearcelebration.com) to view other's stories and memories and to share your own!

### Vision and Hearing Screening

A few weeks back you should have received a survey from our school district's nursing services about opting your child in or out of our annual vision and hearing screening. If you haven't completed that yet, please do complete it as soon as possible so we can create a schedule. Thank you!

### A Few Reminders

- In order to help families with the question of "How sick is too sick for school?" we will be emailing and sharing on Facebook a document that helps families sort out symptoms. Please keep your children home if they exhibit symptoms.
