Valentine's Day Parties at CES

On Friday, February 12th, our school will be celebrating Valentine's Day! Students may provide treats, but they must be prepackaged (no homemade items), much like we did for Halloween. We encourage you to please check with your child's teacher to ensure you're sending items that fit his/her plan for the festivities that day. Unfortunately, we are still unable to allow outside adults/guests into our school. We apologize for the inconvenience, and thank you for your understanding.

100 Amazing Years Website...Closing THIS MONTH

Our website dedicated to collecting the stories about our historic school will stop accepting submissions this month. ces100yearcelebration.com is where you can submit your stories and memories! Please do before it's too late!

Thank You for Helping Us Keep CES In-Person

We understand the strain on families when we must ask that children be kept home due to certain symptoms. Please know we are grateful. Our goal is to be open for in-person schooling each day, and every precaution we take helps us meet that goal. Please accept our sincere thanks.

Spring Conferences

Although we will have more information soon, we wanted to communicate early about our Spring Parent Teacher Conferences. Conferences will be held Monday, March 29 and Tuesday, March 30, and we are pleased to offer an in-person option for this conference (families may also choose a virtual or phone call meeting as well). We will have more information about the protocols for entering the building very soon. But please know how much we enjoy partnering with our families, and we are eager to reconnect formally again the end of March to discuss your child's progress.

Virtual Talent Show

All K-5 students are welcome to submit a virtual audition for the 'We Love Music' talent show presented by Vision Charter Academy. To sign up, please visit www.visioncharteracademy.org by February 26th.

Lots Happening at GMAEC!

The Grand Mesa Arts and Events Center is still working hard to offer creative opportunities for students and families. They currently have new Do It Yourself Masterpiece art packets available! Please take advantage of their awesome opportunities!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.
