Spring Conferences

Our Spring Parent Teacher Conferences will be held Monday, March 29 and Tuesday, March 30, and we are pleased to offer an in-person option for this conference (families may also choose a virtual or phone call meeting as well). Conference sign-up forms will be sent home with the Tuesday Express on Tuesday, March 16th.

For families who choose the in-person option, we will ask that group sizes be limited to no more than 3, that anyone with any symptoms do not attend, and that every adult wears a mask while inside the building. We will also social distance a bit in our classrooms.

We will send report cards and progress reports home with you at your conference (and if you choose to meet via phone call or virtually, we will send them home the following day). We are eager to reconnect again the end of March to discuss your child's progress.

The Weekly Expressions:

We overestimate the event and underestimate the process. Every fulfilled dream occurred because of dedication to a process.

Parent Den Meeting INFORMATION

We enjoyed meeting with a few of our Parent Den members virtually this past week. Some items to pass along:

- The Bruin Holiday Shop made over \$,1800!
- FREE T-shirts will be provided for all students and staff (and available to families for purchase) that commemorate our school's 100th year;
- There are plans in the works for a Family Fun Night in late April or May to allow us all to exchange food and fellowship.

If you have any questions or input, please reach out to the Parent Den or Mr. Renfrow.

PE/MUSIC SHOWCASE

We are pleased to announce that we will be moving forward with our PE/Music Showcases this year. Weather permitting (virtual performances, if not), they will take place on our basketball court and held the week of April 12th. We will have more information next week!

Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.

Thank You for Helping Us Keep CES In-Person

We understand the strain on families when we must ask that children be kept home due to certain symptoms. Please know we are grateful. Our goal is to be open for in-person schooling each day, and every precaution we take helps us meet that goal. Thank you!
