Our Vision

The vision of Cedaredge Elementary School is to inspire students to embrace their learning, explore and broaden their passions, and realize their full potential to become well-rounded citizens in a global community.

Thank You for Helping Us Keep CES In-Person

We understand the strain on families when we must ask that children be kept home due to certain symptoms. Please know we are grateful. Our goal is to be open for in-person schooling each day, and every precaution we take helps us meet that goal. Thank you!
